

Ecotourism Adventure in Australia

A Free Presentation

John and Martha Schwegman will present a slide show about east coast and far north of the continent. Their presentation will cover the birds, mammals and other wildlife they observed, as well as, pictures of the vegetation, wildflowers, waterfalls, and the native peoples and their rock art.

John is retired from the Illinois Department of Natural Resources after a career in nature conservation that included natural area preservation and management and native plant conservation. He's a native of Metropolis, IL and hold a B.A. in Zoology and M.A. in Botany from SIU. Martha Schwegman is a native of Anna and has a B.S. in Education from SIU.
